

# SAC Nepal: AT A GLANCE

## ABOUT US-WHO WE ARE?

- We are part of a larger civil society and leading non-governmental organization, working with and for women, children, and adolescent living in the marginalized communities of Karnali Province.
- We are the voice and assets of all those right holders whom we exist to serve.
- We are the link between needy communities/right holders and resource organization/ duty bearers.
- We are resource (human, financial, technical) organization for women, children and adolescent for their rights.
- We are threat to all social evils and misconducts that hinders women, children and adolescents to enjoy their rights.

## VISION:

A proficient and prosperous society for ensuring quality life for women, children and adolescents.

## MISSION:

SAC Nepal is committed to ensure the social, economic and political rights of women, children and adolescents.

## GOAL:

- Improve the lifestyle of target group in terms of social, political and economic.
- Support to achieve the Strategic Development Goals through developing integrated Model Village/ Communities.
